Tony's Restaurant has been an iconic destination for special events in the Metro-East area for over sixty years. Before completing plans for your special event, we would like for you to consider Tony's Restaurant. We offer world-class full service catering at competitive pricing and pride ourselves on the ability to make anyone's event special and able to fit in their budget. Our private rooms are capable of creating an intimate yet welcoming atmosphere for you and your guests and can accommodate from 12 to 120 people. In addition to our private rooms located on the main floor, we offer our Loft seating located on the second floor of our restaurant.

In this document you will find a menu offering our buffet option as an entrée. We also offer plated style meals for you and your guests. Additional accommodations will have to be made depending on the number of people and we are happy to do so.

Tony's requires a \$150 deposit for all caterings and a cancellation policy of \$150 if canceled within two weeks of the scheduled event. One form of payment is required for all off-site catered events.

We would appreciate if you consider Tony's to give your guests a pleasurable dining experience. Our staff is professional and experienced to help make your planning process smooth and the event as successful as possible.

We look forward to hearing from you soon.
