Tony's Restaurant has been an iconic destination for special events in the Metro-East area for over sixty years. Before completing plans for your special event, we would like for you to consider Tony's Restaurant. We offer world-class full service catering at competitive pricing and pride ourselves on the ability to make anyone's event special and able to fit in their budget. Our private rooms are capable of creating an intimate yet welcoming atmosphere for you and your guests and can accommodate from 12 to 120 people. In addition to our private rooms located on the main floor, we offer our Loft seating located on the second floor of our restaurant.

We also would like to take this opportunity to introduce our newest banquet facility, "A Vogue Affair", Tony's newest banquet center. Although it is still under construction, this facility will seat 300 guests and is located adjacent to Tony's on the corner of 3<sup>rd</sup> and Piasa Street.

Tony's requires a minimum of 12 guests to guarantee a private room along with cancellation policy of \$150 if canceled within two weeks of the scheduled event. Groups of 25 or more require a set menu and one form of payment will be needed.

We would appreciate if you consider Tony's to give your guests a pleasurable dining experience. Our staff is professional and experienced to help make your planning process smooth and the event as successful as possible.

We look forward to hearing from you soon.

Sincerely,  
Leonard Ventimiglia  
President
